Special Technique

3-Needle Bind-off (seaming 2 pieces together as you bind off) Place stitches of pieces to be joined on separate needles or each end of a circular needle, hold one behind the other with right sides facing each other in left hand; with a third needle the same size, k2tog (1 from one needle and 1 from the other) – 1 st on right-hand needle, *k2tog, in same manner, cast off; repeat from *.

Knit cast-on (casting on stitches at the beginning of a row) Start with slip knot or existing stitches. Knit 1 new stitch, but do not slide old stitch off left-hand needle. Insert left-hand needle under and into new loop on right-hand needle, slip stitch off right-hand needle – 1 stitch cast on.
